

# What are we learning in Perranporth this term?

January 2022

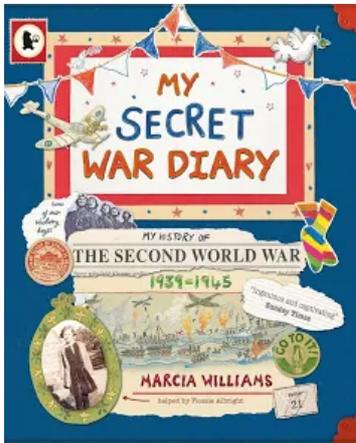

Dear Parents/Carers and children,

Welcome back after the Christmas break. I hope you all had a lovely time off and are ready for a new exciting time full of great learning!

This term our Curriculum Topic is:

## The Woeful Second World War

All of the work that we do during the Spring term will be based around our topic of the Second World War. As a part of it, we will be reading the book 'My Secret War Diary' and will be using this as a base for our Literacy work. We will be finding out about life during this period of History and comparing it to the life that we have today.

Our Geography for this term will use what we have been doing as part of our History work and will focus on South America. We will be learning about the continent, where the different countries are located and how it is different to where we live. We will also be learning how South America fits into WW2.

Our Art and Design work will also be based around our topic of WW2. We will be learning how to create a sense of distance using the fore/middle and background. We will also be developing our blending skills with charcoal and chalk to show light, shadow, line and texture in observational drawings

Our Science focus this half term will be Materials and their properties. We will be carrying out many experiments which help us to learn about absorbency, reversible and non reversible changes and separating materials.

### Important things to remember this term!

Our PE days are:  
**Tuesday**

Only water in drinks bottles please.

Please remember to read with your child at home as regularly as possible. One 15 minute read counts towards their next Karate reading band.

Practise your times tables.

Kind regards

**Mr Clatworthy, Mrs Bennett and Miss Birkinshaw**
